

Discover all of the body's amazing orgasmic spots

TOUCH ME THERE! is the first book to focus exclusively on all of the body's titillating erogenous zones, offering lovers a new realm of sexual exploration and experience. Sexologist Yvonne K. Fulbright gives readers of all sexual orientations a guided tour of the male and female body's wild attractions and explains how to maximize pleasure from head to toe.

Contents include a variety of sex acts (including foreplay and positions), sexual enhancers and toys, fantasy, and exercises (e.g., kegels) for becoming more orgasmic and sexually satisfied.

Delivered in an informative, but playful, tone, the book beholds the body as full of wonder, to discover or rediscover. Information is delivered thoroughly, helping readers to easily grasp the basics needed to happily engage in "how to" instructions. Attractive visuals secure this work as an irresistible sell.
